**Notes:**

(1) We will probably not have CPE for all of the chapter luncheon meetings, but we normally try to have CPE for at least half of the meetings. Luncheon speakers and topics are still in planning.

(2) We have included all of the audio conferences in our initial plan, but we may decide not to provide all of these.

(3) Corey Tester and Rhonda Williams are Co-Chairs of the Education Committee; Hellens Tamimi and Britt Wood are Co-Chairs of the Program Committee.
