Points are earned on events and activities occurring during the membership and recognition year – May 1st through April 30th.

Community Service On-going Projects:

Members that earned points on the original date of the event but would like to volunteer more during the year will not receive any additional points. However, if you recruit a member that has not previously volunteered for a particular event or activity, you receive 1 point per activity with a 2 point maximum. The member who was recruited will receive points as outlined in the chart above.
