

Job Description:

The Fiscal Review Committee of the Tennessee General Assembly has an opening for a Fiscal Analyst. Responsibilities include preparation of estimates of the cost of legislation introduced in the General Assembly, analysis of proposed non-competitive contracts, and analysis of repeat audit findings in state agencies. Ability to work under pressure on short deadlines and strong writing skills are essential. Masters degree in government accounting or public administration preferred. Salary flexible depending on education and experience. Excellent benefits. Please send letter of application and resume, including references.
